

keep going- embrace the grind

getting on to get in
questions in a box
question bank
balloon circle vocab
look over wksht outside

anything there you liked?

back and forth
mini-farts noticing
exit interview

ant run
countries software
no voice today
super charged inxs
audio inxs
mid class scores
target behaviours on board
daily report

yeah sure! (line of reasoning)
make your teacher
feel happy... (line of reasoning)
malcom's 5 (5 sentences each time)
vocaroo you
alternative examples (reference)
echo sentence
sydney's plasticene
a/b blob variant
animation v's animator

review what *you* do
my camera ...my file
nowhere to go
pen skittles
do i know you?
subs
sun moon heart flower
hotspots + hoops
class grids

During the talk I mentioned:

<http://online.seterra.net/en>

<http://lizardpoint.com/geography/>

www.vocaroo.com

<https://www.youtube.com/watch?v=vufdd-ql1c0>

(animator v's animation iv)

During the year, you can find me at:

Further material and activities can be found at

www.chrisroland.net and I can be reached at:

chris.roland@gmail.com.
