

What am I going to enjoy about the lesson I am going to teach?

Try to answer at least one from A, B or C as well as answering D.

A	Is there anything you think you might enjoy about the lesson in terms of your own professional development ?	
B	Is there anything you think you might enjoy about the lesson in terms of observing student progress ?	
C	Is there anything you think you might enjoy about the lesson on a purely personal level ?	
D	Looking at the plan, is there anything that you might find a little boring and if so, is there anything you might do to change that?
